

**PROJECT:** Independent Living Centre Facelift

**Location:** Gorehedge, Frome

**Value:** £58K

**Timescale:** 4 weeks

**ASTER**  
GROUP

## The client

The Aster Group's vision is that everyone has a home, providing a wide range of housing options through reliable landlord services. With 1200+ employees and over 30,000 homes across the UK, they provide homes for all ages.

## The brief

Design a new interior aesthetic and to fully refurbish the communal spaces.

## Project delivery

Once the design scheme had been approved, the four week refurbishment required delicate planning with the client, supporting their approval process and managing the work in a multi-occupied Landlord building.

Works included new partitioning, decorations, electrical alterations, new tea-point and plumbing, flooring, furniture and fittings. The scheme needed to work with the existing building, giving the residents a more modern and comfortable environment that supports and fits in with their everyday needs.
